Overton Conference Center																								
Prefunction Area 1st Floor												Registration												
Sunset A							Undergraduate Demonstration Competition									Undergraduate Poster Session								
			Set up		Session		Breakdown				Set-up		Presentations		Breakdown									
Sunset B	Surface Analysis												Southwest Theoretical & Computational Chemistry											
Sunset C	Main Group Chemistry in the Southwest												Main Group Chemistry in the Southwest											
Horizon A	Organic Chemistry												Organic Chemistry											
Horizon B	S <sub>N</sub> 2 Reaction Dynamics												S <sub>N</sub> 2 Reaction Dynamics											
Horizon C	American Chemistry Teachers (ACT 1)												American Chemistry Teachers (ACT 2)											
Canyon							Undrgrad Lunch								Electrochemistry: EChem in a Box Workshop									
Boardroom I												Research without Rules (Lunch Included)												
First Floor Atrium												Vendor & University Expo Set Up						Opening Reception Undergrad Mixer Vender & University Expo						
Hyatt Place Ballroom	Structural Biology I												Structural Biology II											
Monday, October 30	8:00	8:30	9:10	9:50	10:30	10:50	12:00	1:30	2:10	2:50	3:10	3:30	4:10	4:30	5:00	5:30	6:30	7:00	7:30	8:30				
Overton Convention Center																								
Prefunction Area 1st Floor												Registration												
Sunset A							Plenary Speaker William Jorgensen									General Poster Session I								
											Set-up		Presentations		Breakdown									
Sunset B	Analytical Chemistry												Analytical Chemistry											
Sunset C	Organic Chemistry												Electrophilic Agents in Medicinal Chemistry											
Horizon A	SW Theoretical & Computational Chem												Southwest Theoretical & Computational Chemistry											
Horizon B	S <sub>N</sub> 2 Reaction Dynamics												S <sub>N</sub> 2 Reaction Dynamics											
Horizon C	Adventures in Course Flipping												Drive a Successful Research Career											
Canyon	Inorganic General Session												Physical Chemistry General											
Boardroom I												Effective Chemical Safety Management (Lunch Included)												
Boardroom II	ACS Career Workshop: Career Pathways						Senior Lunch								ACS Career Workshop: Resume Reviews									
First Floor Atrium												Vendor & University Expo												
Hyatt Place Ballroom	Structural Biology II												Structural Biology and Biochemistry											
Buddy Holly Center																		Hotel Shuttle/Reception/Tour

Overton Conference Center																								
Prefunction Area 1st Floor	Registration																							
Sunset A												Set-up		General Poster Session II Presentations				Breakdown						
Sunset B	Mass Spectrometry I								Mass Spectrometry II								Awards Banquet							
Sunset C	Enabling Techniques for Organic Synthesis								Rising Stars in Organic Chemistry															
Horizon A	Southwest Theoretical & Computational Chemistry								Southwest Theoretical & Computational Chemistry															
Horizon B	Women in Chemistry with Lunch																							
Horizon C	Inorganic Chemistry								Chemical Education															
Canyon	Cellulose Synthesis								Online Dual-Credit Chemistry															
Overton Restaurant									ACS Govern. Luncheon															
First Floor Atrium												Vendor & University Expo												
Hyatt Place Ballroom	Chemical Biology and Drug Discovery								Membrane Proteins															
Wed. November 1	8:00	8:30	9:10	9:50	10:10	10:30	11:10	11:30	12:00	1:30	2:10	2:50	3:10	3:30	4:10	4:30	5:00	5:30	6:30	7:00	7:30	8:30		
Overton Conference Center																								
Prefunction Area 1st Floor												COLOR KEY												
Sunset A												Undergraduate Event												
Sunset B	Plant Specialized Metabolism								Organic															
Sunset C	Organic Chemistry								Inorganic															
Horizon A	Inorganic Chemistry								Biochem															
Horizon B	Regional Board Meeting								Analytical															
Horizon C	Adventures in Course Flipping								Physical															
Canyon	Current Teaching and Testing Practices								Education															
									Mixer/Social Event
